Gravity

03/03/2014
Warners

Dr. Ryan Stone (Sandra Bullock) is a brilliant medical engineer on her first shuttle mission, with veteran astronaut Matt Kowalsky (George Clooney) in command of his last flight before retiring. But on a seemingly routine spacewalk, disaster strikes. The shuttle is destroyed, leaving Stone and Kowalsky completely alone - tethered to nothing but each other and spiralling out into the blackness.

Jackass **Bad Grandpa**

03/03/2014
Paramount

Eighty-six-year-old Irving Zisman is on a journey across America with the most unlikely companion: his eight-year-old grandson Billy, in "Jackass Presents: Bad Grandpa". This October, the signature Jackass characters Irving Zisman and Billy will take movie audiences along for the most insane hidden camera road trip ever captured on camera. Along the way Irving will introduce the young and impressionable Billy to people, places, and situations that give new meaning to the term "childrearing". The duo will encounter male strippers, disgruntled child beauty pageant contestants (and their equally disgruntled mothers), funeral home mourners, biker bar patrons, and a whole lot of unsuspecting citizens. Real people in unreal situations, making for one really messed up comedy

BOX OFFICE 6.3mill

Blue Jasmine

27/02/2014

Warners

Jasmine French used to be on the top of the heap as a New York socialite, but now is returning to her estranged sister in San Francisco utterly ruined. As Jasmine struggles with her haunting memories of a privileged past bearing dark realities she ignored, she tries to recover in her present. Unfortunately, it all proves a losing battle as Jasmine's narcissistic hang ups and their consequences begin to overwhelm her. In doing so, her old pretensions and new deceits begin to foul up everyone's lives, especially her own

We Are What We Are

A seemingly wholesome and benevolent family, the Parkers have always kept to themselves, and for good reason. Behind closed doors, patriarch Frank rules his family with a rigorous fervour, determined to keep his ancestral customs intact at any cost. As a torrential rainstorm moves into the area, tragedy strikes and his daughters Iris and Rose are forced to assume responsibilities that extend beyond those of a typical family. As the unrelenting downpour continues to flood their small town, the local authorities begin to uncover clues that bring them closer to the secret that the Parkers have held closely for so many years.

Directed by: Jim Mickle

Devil In The Woods

03/03/2014
Kaleidoscope

This movie is about the Vineyard family and their trip to the New Jersey Pine Barrens. There is a legend that the Jersey Devil lives in these woods. It came about after a woman known as Mother Leeds had 13 children, but she offered up the 13th child to the Devil so she and her other children didn't have to leave their house as they were going to be forced out by the town folk because she was having too many kids in the area back in the 1700s. So it's now the present, and the Vineyard family are going to camp there so the father can release his father's ashes. But while there they hear that someone has gone missing.

Directed by: Darren Lynn Bousman

EV

The Butler

Cecil Gaines was a sharecropper's son who grew up in the 1920s as a domestic servant for the white family who casually destroyed his. Eventually striking out on his own, Cecil becomes a hotel valet of such efficiency and discreteness in the 1950s that he becomes a butler in the White House itself. There, Cecil would serve numerous US Presidents over the decades as a passive witness of history with the American Civil Rights Movement gaining momentum even as his family has troubles of its own. As his wife, Gloria, struggles with her addictions and his defiant eldest son, Louis, strives for a just world, Cecil must decide whether he should take action in his own way

I Am Soldier

17/03/2014

Elevation

I Am Soldier follows Mickey who takes on the most dangerous military training known to man: SAS selection. The Special Air Service is the United Kingdom's most renowned Special Forces regiment, tasked with missions in some of the most dangerous and hostile locations on the planet. Mickey is smashed by the gruelling selection process, not only physically but mentally and emotionally, from torturous tabs over the steepest mountains, running for his life on "Escape and Evasion" missions and enduring the most horrific interrogation imaginable. When the Counter Terrorism Squadron take charge of a deadly situation, Mickey advances into conflict to see if he really does have what it takes to be a special forces operative. Many try to get into the SAS. Only the elite survive..
